

Incident/Near-Miss Report Quick Guide (SBAR)

Chapter 27: Patient Safety, Quality, and Incident Reporting

Situation: "I need to report a [near-miss/incident] involving [patient/task]."

Background: "Here's what led up to it — what was happening, who was involved."

Assessment: "Here's what I think went wrong, or almost went wrong."

Recommendation: "Here's what I think needs to happen next — including documentation and any follow-up with the student."
