

Final Post-Conference Reflection Script

Chapter 35: Closure Conversations with Students

"Think back to your first clinical day this semester. What's different about how you practice now?"

"What's one moment from this rotation you'll remember years from now, and why?"

"What's the one thing you want to carry into your next clinical rotation?"

"What do you still feel unsure about, that we should flag for your next instructor?"

From The Clinical Faculty Complete Field Guide: Ready-to-Use Tools, Scripts, and Evidence-Based Guidance for Every Stage of the Clinical Rotation.
