

Staying Current Resource Checklist

Chapter 68: Staying Current with Evidence-Based Nursing Education Practices

- ☐ Follow at least one nursing education-specific journal (e.g., Journal of Nursing Education, Nurse Education Today, Nurse Educator)
 - ☐ Follow your specialty's professional organization for practice-standard updates (INACSL, NLN, AACN, or your specialty equivalent)
 - ☐ Revisit this book's evidence notes periodically — flag anything that feels outdated as you encounter newer research
